## **Jackgreen Requests Trading Halt**

Jackgreen Limited (ASX:JGL) requests that its shares be placed in an immediate Trading Halt.

As announced to the ASX on 8 December 2009, a wholly-owned operating subsidiary of JGL is currently the subject of a winding-up action by the NSW Government-owned Integral Energy Australia (Integral) Limited. That application is due to return to the Supreme Court of NSW on Friday, 18 December 2009.

JGL is in discussions with investors, strategic parties and financiers concerning a series of potential measures that would allow the Company to be re-capitalised in light of the winding-up action of its subsidiary. Discussions remain incomplete.

The Company seeks for the Trading Halt to remain in force until 10 am on Wednesday, 16 December 2009 prior to which JGL may request a voluntary suspension of its shares to enable sufficient time to announce a re-capitalisation plan.

The company is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.
